#### Medicaid requires you to change your password every 90 days.

#### There are 2 fairly simple steps to follow

# Step 1) Changing your password

You may not be allowed to access the above screen if you do not have "Maintenance" access... If that's the case you will need to get access! You will need to follow the arrows in the above and below pictures.

# Step 2) Reseting your Password

Erançais - Deutsch - Español - 日本語 - 道体中文 - 繁養中文

You will need to login to the above site. <u>https://fts.mmis.arkansas.gov/</u>

Then you will need to enter the the "Trading Partner ID" and the corresponding password for that... if you do not know these credentials please look at step 1!

Once you login you will need to reset your password here <u>https://fts.mmis.arkansas.gov/</u> in the above picture, from there you will need to login and you will see an area for you to reset your password.
